<https://www.youtube.com/watch?v=N1t2N3qAiT0>

Refrain 1

High
On the water slide
You're finally free
Don't you ever leave this party, leave this party (Bis)

Couplet 1

Ten feet
I'm already freaked out
Now i know
What the fuss is about
But i feel I'mma do it this time
Reaching for the sun
Like a bird in the sky

Couplet 2

On the top
The trees are so small
Never stop
The feelings will flow
This is now
The timing is right
Be prepared to have
The fun of your life

One, Two, One, Two, Three, Ouh!

Refrain 2

High
On the water slide
You're finally free
Don't you ever leave this party, leave this party (Bis)
